

EQUAL ACCESS TO JUSTICE

Gratitude Report
2018-19

Thank You

Without you, Equal Access to Justice would not exist.

Our whole purpose is to increase access to justice for New Mexicans by providing unrestricted, noncompetitive funds to civil legal aid organizations. These funds support **New Mexico Legal Aid, New Mexico Center on Law & Poverty, and DNA-People's Legal Services** in their work meeting critical legal needs of New Mexicans. This ranges from providing legal information, to direct representation, to systemic advocacy.

Without your generous gifts each year, Equal Access to Justice would cease to exist -- and along with it, funds that these organizations depend on to carry out their missions so critical to protecting the things we all value most -- our rights, freedom, homes, livelihoods, and families.

So, thank you. As you read in more detail about the impact of your contributions, know that you are an important part of defending justice in New Mexico **for all**, not just for those who can afford it.

"We could not do our work without the support of New Mexico's legal community and Equal Access to Justice. These resources are essential to achieving system-wide changes for our children and families – improving access to healthcare, food, fair pay and working conditions, and a thriving public education system. Thank you for your partnership!"

-Sireesha Manne, Executive Director, New Mexico Center on Law and Poverty

"DNA uses EAJ funding to provide a full range of legal services that ensure hundreds of vulnerable New Mexicans can use state, federal or tribal justice systems to protect their rights. Your donation helps uphold the idea of justice for all that forms the bedrock of these justice systems. We extend deep appreciation to all New Mexico attorneys who make generous contributions to the annual Equal Access to Justice Campaign."
